

# Homework –

Friday 5<sup>th</sup> October 2018

Mrs Wild

Dear Parent/Carer

I keep having to say ‘thank you’ during the course of this homework front page – parents at this school always make the greatest effort when it comes to charitable giving and to helping the school. **THANK YOU** 😊

The Macmillan Coffee Week last week raised £1,047 which is a very impressive amount, so well done to staff, parents and children who all worked together for such an important cause. *Thank you* 😊

At Ivanhoe, we have a **School Council** made up of children from each class. One of the ideas they have come up with recently, is to have a bit of a library facility that can be used by keen readers a couple of lunchtimes a week. Obviously, the whole school supports reading and we would like all parents to read with their children regularly... but there are also children at this school who LOVE reading and we would like to give them choices and reading opportunities **above and beyond** what we normally provide. To this end, we would like to ask parents for donations of books so that we can have a collection that can be borrowed by those children who just can’t get enough reading.

I’m sure that we all have children who still have books that they read in the past and that they no longer have an interest in, even though they still keep them – these are the very books that we are looking for; books that have been loved but which are no longer being read – other children would love them too, so why not let them be part of our library? The school will also buy some books to supplement what we get by donation. The intention is that KS2 will have a library that will be open two lunchtimes a week and KS1 and Early Years books will be distributed amongst the classes for their class collections. Please bring any books that you would like to donate to the class or to the office. **THANK YOU** 😊

**HARVEST FESTIVAL** is also almost upon us! We will be celebrating Harvest Festival on Friday 12<sup>th</sup> October with KS2 in the morning and KS1 in the afternoon. As we have done for several years now, we will be supporting FOOD AWARE with donations we receive – for this reason, we would like tins and packets rather than fresh produce. Again, **thank you** in advance for your contribution.

Finally, don’t forget to buy your tickets for the Hallowe’en Disco – the late tickets have all gone, but there are still some remaining for the 4.00pm event.

**Please use the comment box below to write anything you have to say about the homework or about any other school issues...**

Signed:

**Please make sure that your child’s medical details and emergency contact numbers are with the office and up-to-date.**
