

Homework –

Friday 20th September 2019

Mrs Kidd

Dear Parent/Carer

I thought I would give parents some advanced warning about our busy week beginning 30th September. On Monday 30th September, we will be doing the **Race for Life** for the whole school. The format will be for everyone in school to walk one kilometre and then for those who want to race, we will be running a couple of laps of the infant grass area for the racers in different year groups with the rest of the school watching on. Of course, the watching and the racing will be weather dependent, but the whole school will at least walk one kilometre. This is as much about raising awareness as it is exercise – though we also want to fundraise for **Cancer Research UK** as all of us are touched by cancer in one way or another.

In the same week, we will be having the **Macmillan coffee mornings** (and afternoons) so that all parents and children can support that particular cause. All monies raised will be equally divided between the two charities. We know that these charities are really important and do extremely valuable work and we feel sure that parents will want to support them.

Thank you to those parents who attended the first **'Meet the Head'** meeting today. It was very useful to hear what parents had to say and to share views: key things brought up were after-school clubs and the defibrillator that the school should be buying. In the comment box below, why not let us know what after school clubs you think we should be running – we do plenty of sporty ones, but what else might be popular?

The next meeting scheduled is for **Thursday 14th November** at the same time – when there will be tea and biscuits☺.

This is an opportunity for parents to ask me anything about the school that they consider important – I'm not afraid of tricky questions. If you would like to know more about my thinking as Headteacher of this fabulous school, or if you would like some questions answered, please do come along.

Please use the comment box below to write anything you have to say about the homework or about any other school issues...
