Mrs Bentley

Matisse – The Snail

Dear Parent/Carer

I have included one of my favourite pieces of art by Henri Matisse from 1953. You can see it in the Tate Gallery in London – it is pretty big (about 3 metres square) and made out of very large pieces of coloured paper on a white background. At this stage in his life, Matisse really struggled to paint due to his poor health, so he had to make his art in other ways...

So we are celebrating Art Week next week ☺.

We are also having an Inset Day next Friday 2nd July and beginning transition the following week, so all children will 'move up' a class and work with their new teachers for three weeks. These are the class teachers and teaching assistants:

Nursery: C Douglass, F Taylor, J Glover, L Jackson, (+ 1)

Reception: L Mills, N Bentley, H Manchester, J Procter

Y1: L Booth, R Matthews, L Moseley, S Sawar, R Simpson

Y2: V Hall, K Jones, N Sleight, S Scott

Y3: J Hethershaw, O Moseley, K Carter, D Ryan

Y4: L Cartwright, A Pendlebury/A Smith, E Haymer, J Regan

Y5: E Kidd, P Ashcroft, C Haynes

Y6: J Noble, C Moxon, L Nettleship, Z Backhouse, T Whittaker

I think that only Miss Hethershaw is new to parents – and she has been a student here for quite a while now.

Next week, we will be sending home reports – and these will mainly be maths and English with general comments. In the autumn, parents will receive a 'full' report with all subjects covered.

Next Wednesday, teachers will inform parents by class dojo about which class each child will be in.

It is quite a squeeze to get everything done in the second half of the summer term – but in effect, we are starting the new year in July rather than September – so when the children return after the summer holiday, they will hit the ground running!

Please use the comment box below to write anything you have to say about the homework or about any other school issues...
