School Health and Safety Audit

Auditor: Steven Turner, Health & Safety Advisor

Location: Conisbrough Ivanhoe Primary Academy,
Date of Audit: 27th September 2019

1 – Outstanding

This achievement is given to a school demonstrating an excellent standard in managing health and safety with only a few improvements to implement.

2 – Good

This achievement is given to a school demonstrating a good standard of managing health and safety with some improvements still to implement.

3 – Satisfactory

This achievement is given to a school demonstrating the minimum acceptable level of managing health and safety. There are many improvements that can be made.

4 – Inadequate

This achievement is given to a school where there is little evidence of a structured approach to managing health and safety. There are serious weaknesses that require immediate action by the school and Local Authority.

The content of this report is designed to lead you to review your Health and Safety arrangements, it is not intended to be exhaustive, but should be used as an *aide-memoire* to assist you in the development of an action plan to implement and maintain the Health and Safety management of your premises.
